PayPal charges fees in the currency of the transactions. (see User Agreement). For the purpose of computation of GST, the taxable value is determined by converting the fees to Indian rupees at the applicable accounting rate on the date of the transaction. This is in accordance with Section 15 of the Central Goods and Service Tax (CGST) Act 2017, and with Rule 34 of the CGST Rules, as well as conforming with Indian accounting standards. Kindly refer to your activity report for a breakdown of your monthly fees. There may be minor differences in the amounts in this invoice due to rounding.

This invoice is digitally signed
